GIANT

PAUL FRANCIS WEBSTER DIMITRI TIOMKIN

Just like a sleeping giant sprawling in
the sun,
In one great hand the Rio Grande,
In the other Galveston.
Where oil wells laugh at angels,
And buzzards wheel above;

This then is Texas,
Lone star state of Texas,
This then is Texas,
(This is the giant),
Land I love!
Land I love!
Land I love!

My Ma was born in Dallas,
Father in Fort Worth,
You can bet your boots,
I got my roots,
In the good old Texas earth.
Just see the silver dollars,
Falling from above;

God made these lonely acres,
Where I ride alone.
But the devil cursed this land with thirst,
And he bleached it like a bone.
One day a wild tornado,
Next a gentle dove;

EV'RY DAY OF MY LIFE

JIMMIE CRANE AL JACOBS

Ev'ry day of my life
I'll be in love with you,
Ev'ry day of my life
I promise I'll be true.
I'll never make you cry,
And as the years go by
I'll always try to do what pleases you.
Ev'ry day of my life
I'll need you close to me,
And if I have my way
That's where you'll always be
I'll prove how much I love you
Over and over again,
Ev'ry moment I live,
Ev'ry day of my life.

LET ME BE THE FIRST ONE TO KNOW

DAVE COLEMAN

If you've found somebody new,
And your love for me is through,
Let me be the first one to know.
When two lovers drift apart,
Then the idle rumors start,
Let me be the first one to know.
I just won't believe
You're the kind who'd deceive,
Knowing I love you so.
Could you break my heart in two?
Darling, please I beg of you,
Let me be the first one to know.

LAY DOWN YOUR ARMS

PADDY ROBERTS LEON LAND AKE GERHARD

My sweetheart is a soldier,
As handsome as can be,
But suddenly they sent him away across
the sea,
So patiently I waited until his leave was
due,
Then wrote and said, "My darling, I'll
tell you what to do."

Come to the station, jump from the
train,
March at the double down lover's lane,
Then in the glen where the roses twine,
Lay down your arms (lay down your
arms)

Lay down your arms and surrender to
mine.

A soldier is a soldier
And when he's on parade,
An order is an order
And has to be obeyed
You've got to do your duty
Wherever you may be,
And now you're on your orders
To hurry home to me.

The girl who loves a soldier
Is either sad or gay
'Cause first of all he's with her
And then he's far away
But soldiers have their duty
To answer to the call,
And that is why I'm calling
The loudest of them all.

FRIENDLY PERSUASION

(Thee I Love)

PAUL FRANCIS WEBSTER DIMITRI TIOMKIN

Thee I Love.
More than the meadows so green and
still,
More than the mulberries on the hill,
More than the buds on the may-apple
tree,
I love thee.
Arms have I, strong as the oak for this
occasion;
Lips have I to kiss thee too,
In friendly persuasion.
Thee is mine,
Though I don't know many words of
praise;
Thee pleasures me in a hundred ways,
So put on your bonnet,
Your cape and your glove and come
with me,
For thee I love.

Thee I love.
More than the meadows so green and
still,
More than the mulberries on the hill,
More than the buds on the may-apple
tree,

I love thee.
Arms have I,
Eager are they for this occasion;
Lips have I to kiss thee too,
In friendly persuasion.
This I know,
Thee pleasures me in a wond'rous way,
Long have I waited to hear thee say,
"Put on your bonnet, your cape and
your glove
And come with me,
For thee I love,
Oh, come with me, for thee I love."

THE CREW CUTS

The always "cool" Crew cuts are extra so . . . as the inviting picture above suggests. This picture — minus the work of our art department — was taken while the crewcutted ones frolicked in refreshing waters at Fort Lauderdale, Florida. Popular demand had seen to it that the boys were appearing at Fazio's smart supper club. The boys sang "hot" all night and played it "cool" by the pool all day. As the expression goes in show business, "they broke it up". The audiences every night gladly showed their appreciation by wild applause and shouts of "more." We're talking about the huge success that the Crewcuts had at Fazio's — however, it's the same story wherever the Crewcuts appear. It's not luck or a good audience that accounts for the boys' popularity . . . but rather talent — and lots of it at that.

The "cool" foursome work hard and sing naturally. That's an unbeatable combination when it comes to being "on top" in show business. These lads have what it takes to get ahead in the show world, and they're using it to best advantage. They're proving to the fans that they deserve the niche they've carved in the ladder of success.

There's no doubt that the Crewcuts are a travelling crew. They've covered the continent from stem to stern, leaving a host of happy fans behind them at every port. When the boys wound up their successful engagement in British Columbia, it was the end of a tour that took them from the frigid reaches of

Newfoundland to the warm climate and hearts of the deep south.

When you're popular and in demand, there's little time for rest or relaxation. You might think the boys would stop long enough for a breather — but not the Crewcuts; that is, unless you call a stint on CBS-TV's "Stage-Show" relaxation. The soothing voices of the Crewcuts relaxed the fans all right, but the fellas worked hard to perfect their all-too-brief appearance.

Fred Strauss, the "Crew's" personal manager — the man who gets the credit for the behind the scenes effort in behalf of the lads — has informed us that the days ahead are filled to capacity with record dates, personals and TV stints. He admits it's a hectic life, but when the entertainment business gets into your blood, you just thrive on that type of existence.

The Crewcuts have never let their fans down. They appreciate their faith and loyalty and strive to keep their act polished and new at all times. The boys' very latest Mercury disc is nothing short of sensational and only goes to prove how great these "cool cats" really are. The name of the tune? Why, "Sixteen Going On Seventeen", of course. We're sure you've heard your favorite disc jockey spin it many times. The reason? He knows, as we do, that the Crewcuts are here to stay.

SOFT SUMMER BREEZE

JUDY SPENCER EDDIE HEYWOOD

Soft summer breeze,
Lazy old stream,
Cotton clouds up high,
Boy and girl in love,
Hearts up to the sky.
Whispering trees add to the theme,
Gentle lullaby,
Boy and girl in love,
Christmas in July.
Let folks talk about Romeo and Juliet,
Kid stuff, can't compare
To the day when they first met.
All through the years they will recall
Moments sweet like these,
How it all began with a soft summer breeze.

THE FOOL

NAOMI FORD

Gather 'round me buddies,
Hold your glasses high,
And drink to a fool,
A crazy fool,
Who told his baby goodbye.

Too late he's found he loves her
So much he wants to die,
But drink to a fool
A crazy fool
Who told his baby goodbye.

He needs her
He needs her so
He wonders
Why he let her go

She's found a new love buddies
He's a lucky guy
So drink to a fool
'Cause I'm that fool
Who told his baby goodbye.

SONG FOR A SUMMER NIGHT

ROBERT ALLEN

The song for a summer night
Is a song your heart sings
When you're in love.

With her hand in your hand
You've a dream to share,
With her lips on your lips
Music seems to fill the air.
The song for a summer night
Is a song your heart sings
When you're in love.

The song for a summer night
Lingers on your heart strings
When you're in love.

DYNAMITE

CANADIAN SUNSET

NORMAN GIMBEL EDDIE HEYWOOD

Swift, swift as a shot,
Bold, bold as the wind
You came out of nowhere,
Like the sun up from the hills.

A weekend in Canada,
A change of scene was the most I
bargained for.

I saw all the local sights one, unforeseen,
I saw a face that I couldn't ignore.
Down, down came the sun,
Fast, fast beat my heart.
I knew, as the sunset from this day
we'd never part.

Warm, warm as your smile,
High, high were my hopes
Out there on that ski trail
Where we met searching for thrills.

DON'T BE CRUEL

OTIS BLACKWELL ELVIS PRESLEY

You know I can be found
Sitting home all alone
If you can't come around
A least please telephone
Don't be cruel
To a heart that's true.
Baby, if I made you mad
For something I might have said
Please let's forget the past
The future looks bright ahead
Don't be cruel
To a heart's that's true.
I don't want no other love
Baby, it's just you I'm thinking of.
Don't stop thinking of me,
Don't make me feel this way
Come on over here and love me,
You know what I want you to say
Don't be cruel
To a heart that's true.
Why should we be apart
I really love you,
Baby, cross my heart.
Let's walk up to the preacher,
And let us say, I do
Then you'll know you'll have me,
And I'll know I'll have you too
Don't be cruel
To a heart that's true!

MIRACLE OF LOVE

BOB MERRILL

A whippoorwill awakens.
And she tells the golden morn.
That while the world was sleeping.
Some new whippoorwills were born.
Showing the lark and the dove.
Another miracle of love.
A bee begins a buzzin'.
Makin' honey out of dew.
And roses by the dozen.
Bloom where flowers never grew.
Warmed by the sun from above.
Another miracle of love.
Yes, I believe in miracles.
That miracles come true.
Dear, I believe in miracles.
Just look at me and you.
Two strangers in the morning.
Then two friends this afternoon.
Now strangers in the morning.
Are two sweethearts 'neath the moon.
Close as a hand in a glove.
Another miracle of love.

CHAPEL ON THE HILL

BOB HILLIARD

From the candy store on the corner,
To the chapel on the hill.
Two young lovers are longing to go
there.
And they dream someday they will.
They dream someday they will,
They dream someday they will,
Walk hand in hand from the candy
store,
To the chapel on the hill.
Both their hearts are in tune with a
love song.
Ev'ry promise they make they mean.
For true love is the treasure of
treasures,

When you're only seventeen,
To dream it's a thrill,
Walk hand in hand from the candy
store,
To the chapel on the hill.

MY NERVES

HENRY GLOVER RUDY TOOMBS

You hold my hand
And I can't understand;
My nerves, oh, my nerves.
One look from you
And you don't know what you do to my
nerves,

Oh, my nerves.
You hold me tight
And kiss me right;
My nerves, oh, my nerves.
I get such a thrill,
It sends a chill to my nerves,
Oh, my nerves.

Can't you see what you do to me
To have me feeling this way.
I pat my feet and I clap my hands
And I snap my fingers all day.
Whisper low that you love me so;
My nerves, oh, my nerves.
I should be bold when I lose control
Of my nerves, oh, my nerves.

Howdy Gang!

It's that time again. Time for the clues to good reading in the HIT PARADER caravan of stars and stories.

The rule of etiquette is "ladies before gentlemen," which means the first lovely miss to grace our pages is the "rich" voiced Jaye P. Morgan. The story retraces her life from — oh, but that would be telling — read the story entitled "J. P. On TV."

Because there's been so much interest in the life story of James Dean, the editorial staff waded through volumes of literature written about this talented youngster who met death at the peak of a promising career. Read his absorbing story.

Those boys with the "coolest" hair style — The Crew Cuts — have an entertaining story in this issue. Watch the boys "play it cool by the pool" on a recent personal appearance date. This article should cause a big "splash".

"Who Says You Can't Get Into Show Business?" is an arresting question and one that gets an eye-opening answer in this issue. Read this article because, if you have talent, this article tells you just how to go about getting it before the public. If you're one of the youngsters who has been looking for a way to break into show business — here's your chance!

We sent our photog down to Florida to accompany (Andrea) June Stevens on her date with the teenager's idol, Elvis Presley. The camera has caught the mood of the date and has traced that wondrous experience from the minute June stepped off the plane until her fond goodbye at the end of a beautiful day. The story to read is "Spending a Day With Elvis Presley."

In the section devoted to young talent moving up the ladder of success, we have two handsome young men for you. Roger Coleman, a versatile singer with great potential, and handsome George Wallington, a pianist with dynamite in his fingers. We feel sure you'll be hearing lots more from those fellows before very long.

As usual, no issue of HIT PARADER would be complete without the three big pages on the National Radio Fan Club. There's club news and, of course, the twenty-four youngsters announcing their fan clubs for their favorite artists. There's room for you and your fan club so get busy with those cards, letters and clear snapshots.

"Juke Box Dynamite", that portion of the book set aside for the top songs in the country according to regional charts, is with us again. Be sure to read it, as your favorite tune could easily be one of the four songs picked.

Well, gang, until we meet again on the pages of HIT PARADER, so long. Keep those letters coming, cause that's the only way we know your likes and dislikes.

SPENDING *the* DAY

June's mother, Mrs. Chris Stephens and June are greeted at the big Fla. airport.

The cameramen catch Elvis and June in this pose as June said, "I had a most wonderful time with the most wonderful and talented performer in the world of show business."

Elvis, the gentleman, lets contest winner June Stephens share the view of some new lyrics. People are always sending their songs to Elvis in hopes he'll sing them.

Elvis enters the theater under police guard and meets the lovely Miss Stephens.

June serves coffee to Elvis, who drove all night before reaching Jacksonville.

Lucky June gets a close-up view of the throat that houses those powerful vocal chords. June inspects very closely with a flashlight, but doesn't find anything wrong.

with ELVIS PRESLEY

A pensive couple awaits the next question from the newsmen gathering backstage.

Elvis wastes no time getting friendly with June while both are photographed.

June watches the Presley lad limber up on the drums just before show time.

"Gosh, Elvis, your tie looks a bit crooked so I guess I'll straighten it out," says June. It just so happens that the Presley lad is always neat. No wonder gals go for him.

Elvis, the gentleman, opens the doors for lovely June Stephens to pass through.

"I think I'll have a hamburger," says June as Elvis decides. A hamburger with Elvis is worth the best steak with anyone else, say the "Cat's" fans. Looks like June agrees.

"Goodnight, it's been fun," Elvis tells June as they arrive back at the hotel.

CHAINS OF LOVE

HARRY VAN WALLS A. NUGETRE

Chains of love have tied my heart to you
Chains of love have made me feel so blue

Now I'm your pris'ner
Tell me what-cha gonna do
Are you gonna leave me,
Are you gonna make me cry
Are you gonna love me,
Are you gonna make me cry
These chains of blues are gonna haunt me

Until the day I die
Well if you're gonna leave me,
Why don't you set me free
Well if you're gonna leave me,
Why don't you set me free
I can't stand with these chains
Unless you stay on here with me
It's three o'clock in the morning,
Baby and the moon is shining bright
Yes, it's three o'clock in the morning,
The moon is shining bright
I'm just sittin' here wond'rin'
Where can you be tonight.

THE CALL OF THE WILD

CAROLYN LEIGH EDDY BARCLAY LEGRAND

No lullaby here
No tender sigh here
You speak and I hear
The call of the wild.

You brought that bongo
Straight from the Congo
I heard that gong go
Berserk when you smiled.

So smile the smile
That sets my heart ablaze
Kiss the kiss that gets my toes to curl
Face to face, to use an ancient phrase
Me boy, you girl!

So don't retreat now
Don't be discreet now
You're much too sweet now
And I'm in no mood to be mild

I want to fall, love
It's nature's law, love
I hear the call of the wild!

WALK SWEET

LAWRENCE & LEE HARRY WARREN

Walk sweet, my steps beat soft,
My heart, speak clear,
My lips he is near
Shine bright, my stars, be wide,
My sky, smile down,
My moon, he is here
Go swift, breeze of the evening,
Wherever my love may be,
Touch his hand and whisper my name
And open his heart to me
Be still, my soul, be real, my dreams,
Be kind, dear heaven above
Let me walk sweet and talk sweet,
And be sweet, and be sweet,
And be with the one I love.

You know who,
The fella with the celebrated swing.
I love Mickey! Mickey who?
You know who,
The one who drives me batty ev'ry Spring.

If I don't make a hit with him,
My heart will break in two.
I wish that I could catch him
And pitch a little woo oo!

I love Mickey. Mickey who?
Mickey you. Mickey me?
That's who oo oo oo oo oo oo oo
I love Mickey. Mickey who?
Mickey Mantle mm mm I love you,
Who, me? mm, mm, I love you
Not Yogi Berra? mm mm I love you.

His muscles are a mighty sight to see.

The one I want to steal right home with me.

I'd like to be a fly ball and pop into his arms oo!

EARTHBOUND

JACK TAYLOR CLIVE RICHARDSON BOB MUSEL

Earthbound, my heart was earthbound,
'Till I looked into your eyes.
I found my heart was earthbound,
'Till you took it to the skies.
I felt your arms around me,
And I was safe and warm in your embrace.
Suddenly the chains that bound me were gone,
And I was soaring into space.
I thought happiness missed me,
But you changed my world around,
Earthbound until you first kissed me,
And then in your arms I became heavenbound.

OUT OF SIGHT — OUT OF MIND

IVORY JOE HUNTER CLYDE OTIS

Out of sight, out of mind
So the story goes,
You forgot I exist,
My broken heart knows,
Out of sight, out of mind
You found someone new
But I can't change my love,
The way that you do
I sit around a-wondering
About your new affair,
I should forget to remember,
And remember not to care!
I'd forget if I could but my heart is blind

You are gone out of sight
But not out of my mind.

KA-DING DONG

JORDAN & McDERMOTT

Oh well I met a little girl about a week
ago

And I felt that I ought to let her know,
But since then my heart has broke a
string

It goes ka-ding dong ding dong
Ka-ding dong ding dong ding!

My heart goes ding dong ding,
When I'm near you it goes ding dong
ding

'Cause I love you
It goes ding dong ding dong,

Well don't be afraid of me little girl
'Cause I love you most in the whole
wide world,

You know I wouldn't harm a pretty
beautiful thing

It goes ka-ding dong ding dong ka-ding
dong ding, dong ding.

You know I love you, love you little
girl

And if you kiss me it would give me a
whirl

All around my heart where the feeling
is

It goes ka-ding dong, ding, dong,
Ka-ding dong ding dong ding.

My heart goes ding, dong, ding
When I'm near you it goes ding, dong,
ding

'Cause I need you
It goes ding, dong, ding, 'cause I love
you

It goes ding, dong, ding, dong,
Ding, dong, ding, dong
Ka-ding, dong, ding, dong, hey!

THE GREEN DOOR

BOB DAVIE MARVIN MOORE

Midnight one more night without
sleepin'

Watching till the morning comes
peepin'

Green door what's that secret you're
keepin'

There's an old piano and they play
it hot

Behind the green door.

Don't know what they're doin'

But they laugh a lot behind the green
door.

Wish they'd let me in so I could

Find out what's behind the green door.

Knocked once tried to tell 'em I'd been
there

Door slammed hospitality's thin there
Wonder just what's goin' on in there
Saw an eyeball peepin' thru a smokey
cloud

Behind the green door

When I said Joe sent me someone
laughed

Out loud behind the green door.

All I want to do is join the happy

the late

In his motion picture debut in "East of Eden" James Dean was immediately acclaimed by critics as one of the brightest acting finds in many years. Feminine moviegoers were smitten with the Dean brand of charm and he was firmly entrenched as a box-office favorite.

Dean quickly followed his initial success with equally vivid portrayals as a juvenile delinquent in "Rebel Without a Cause" and as Jett Rink, the ranch hand who becomes an oil millionaire in "Giant," George Stevens' production of the Edna Ferber novel for Warner Bros.

James Byron Dean was born in Marion, Indiana, on February 8, 1931, the son of Winton and Mildred Dean. His father was a dental technician at a Veterans Administration Hospital.

The family moved to California a few years later when the father was transferred to a hospital in Los Angeles. In 1949 Mrs. Dean died and Jimmy was sent back to Fairmont, Indiana, to live on a farm with his aunt and uncle, Mr. and Mrs. Marcus Winslow.

Though he was kept busy with the farm boy's usual chores of milking cows and feeding chickens, Dean early displayed talent as an actor. He won first place in the National Forensic League Contest held at Peru, Indiana. This

qualified him for the national contest at Longmont, Colorado, where he recited Charles Dickens' "The Madman." Though he didn't win, he impressed his high school dramatics teacher as an actor of considerable ability.

All through high school he was active in dramatics, generally taking the difficult character roles. He also was a member of the school's baseball, track and basketball teams. In his senior year he won a medal as the school's top athlete. He also was awarded the art department prize.

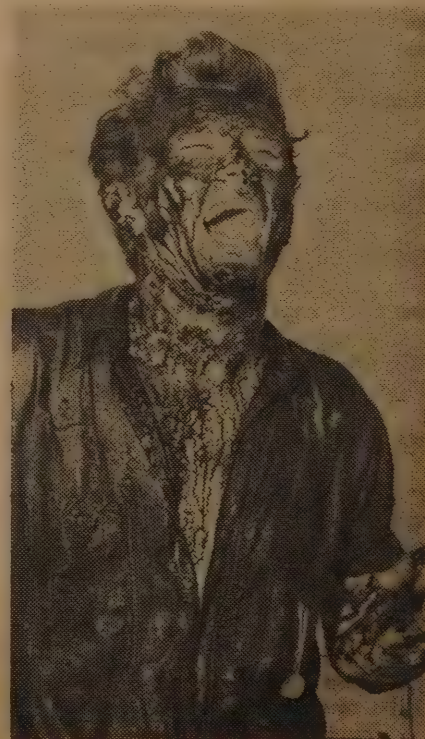

Upon graduation from high school Dean returned to California and enrolled at Santa Monica Junior College as a Physical Education major. He also studied dramatics, spending considerable time reading Shakespeare and announcing on the school's FM radio station.

Later he transferred to the University of California at Los Angeles where he continued to participate in college dramatics. There were numerous serious talks with James Whitmore, who lives near the University. Dean credited Whitmore with giving him the stimulus to seek a career as an actor.

Tiring of dabbling in academic theories on the drama, Dean left UCLA. He decided to pound the pavements in

Here's the late James Dean. Death ended his promising career at its highest peak.

James Dean in the scene from his last movie, "Giant", where he discovers oil.

JAMES DEAN

New York City in search of a professional acting job.

With a few hundred dollars in his pockets, Dean arrived via bus in New York. He was overwhelmed by the big city and during the first few weeks didn't stray far from his little hotel just off Times Square. He would see three movies a day to escape the loneliness and depression he felt.

After spending \$150 of his limited funds for movies he finally learned the ropes of looking for a job as an actor. Broadway producers did not clamor for his services, but he managed to get enough work as an extra in television to eke out an existence.

A job as a sailor aboard a sloop was to lead to Dean's first break. Though Dean knew nothing about sailing, he pretended that he did when he learned that the owner had theatrical connections. His sailing expedition up and down the Atlantic seaboard paid off. The skipper arranged for an interview when "See the Jaguar" was being cast. Dean won the highly dramatic role of a boy who has been shut up in an ice house for ten years.

After a year's struggle Dean had made an auspicious start on the stage. Important television roles followed and

then the role of a black-mailing Arab in a second Broadway play, "The Immoralist." For this he won the David Blum award as the most promising newcomer of the year. Then Warner Bros. screen tested him for "East of Eden" and Dean was launched as a film star.

James Dean was an intense young man who mastered easily everything that interested him. This included automobile racing; but, as a serious artist, he obeyed his studio's dictum that he not engage in this sport while he was making a picture.

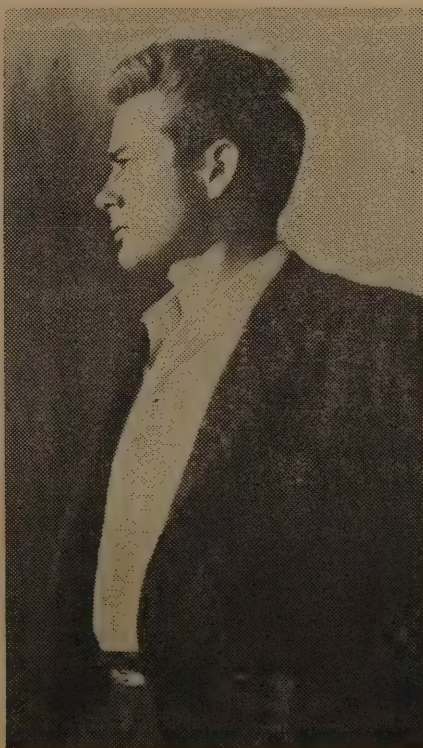

It was on completion of his role as Jett Rink in "Giant" under George Stevens' direction that Dean took up racing again. On his way to a road race in his white Porsche, James Dean was killed at age 24 in a highway collision at Paso Robles, California.

GONNA BACK UP BABY

DANNY WOLFE

Tried to tell you, baby, ev'rything's all
right,
When I told you, baby, where I was last
night.
But no matter what I say, baby, you
can't see the light.

Gonna back up, baby, and start all
over again,
Gonna back up, baby and start all
over again.
But even if I do, I know you're gonna
make me tell you again.
Gonna back up, baby, one time again,
Gonna tell you ev'ry place I've ever
been.

So, listen now, baby, till I get to the
end,
'Cause I'm gonna keep comin' 'till you
give in.

Tried to tell you, baby, promises I kept,
When I told you, baby, slowly step by
step.
But no matter what I say, baby,
I'm left without your help.

Will you ever, baby,
Try to change your mind,
I been talkin' baby,
'Till I'm almost blind.
But no matter what I say, baby,
You think I'm that kind.

TWO HEARTS

(With An Arrow Between)

ETHEL PHILLIPS DOROTHY JEFFERS

Two hearts with an arrow between,
Remember what that used to mean?
You carved it in a tree,
When you said you loved me,
Two hearts with an arrow between.

Two lips that could kiss with a thrill,
It seemed that the whole world stood
still.

I come back to the spot,
Tho' I know you forgot,
Two hearts with an arrow between.
The promises we made I still can hear,,
Tho' you are far away,
I pretend you are near.
Two hearts with an arrow between,
Remember what that used to mean?
Darling, please come back to me,
Let me take you to see,
Two hearts with an arrow between.

A HEART WITHOUT A SWEETHEART

TOMMIE CONNOR FRANK H. STANTON

A heart without a sweetheart
Is a very lonely thing,
Like a ship without a harbor,
Or a bird without a wing.
So tell me that you love me,
Oh, what happiness you'll bring,
For a heart without a sweetheart,
Is a very lonely thing.

THE BUS STOP SONG

(A Paper Of Pins)

KEN DARBY

I'll give to you a paper of pins,
And that's the way our love begins,
If you will marry me, me, me,
If you will marry me.
I'll give to you a feathery bed,
With downy pillows for your head,
If you will marry me, me, me,
If you will marry me.
But you don't want my paper of pins,
And you don't want my feathery bed,
You want my house and money instead,
That is plain to see!
Well, here they are, take everything,
My house, my money, my wedding
ring,
And in the bargain I'll throw in me,
If you will marry me!

TRUE LOVE

COLE PORTER

Suntanned, windblown, honeymooners
at last alone.
Feeling far above par, oh how lucky
we are.
While I give to you and you give to me
True love, true love.
So, on and on it will always be
True love, true love.
For you and I have a guardian angel
on high.

With nothing to do but to give to you
And to give to me love forever true.

THIS MAN

EDDIE CURTIS

This man is a good for nothin'
But this man is mine,
This man is a good for nothin'
But this man is mine,
'Cause this man has a style of kissin'
That this girl is forever missin'.
Yes, this man is a good for nothin'
But this man is mine.

I know he'll never, never make Park
Avenue

I know he'll never set this world on fire
But I know that because of him
I'll never, never be blue,
And believe you me,
He is my only desire!
You better know it!
This man is a lazy man
But this man is mine,
This man is a good for nothin'
But this man is mine.
'Cause this man is a mighty lover
And this girl doesn't want another,
Yes, this man is a lazy man
But this man is mine!

This man is a lazy man
But this man is mine,
This man is a lazy man
But this man is mine,
'Cause this man has a way of squeezin'
That this girl finds mighty pleasin',
Yes, this man is a lazy man
But this man is mine.

National Radio Fan Club

TIME: FRIDAY NIGHTS
PLACE: NBC RADIO

Hello There Everybody:

Once again it's that time of the month to swing open the doors of the National Radio Fan Club and take a look-see at the activities that took place and the future plans of this great club. A note to all of you who have yet to join the NRFC. If you will fill out the coupon found at the bottom of this page and send it to the NRFC, you will be enrolled in the fastest and biggest fan club in the country.

The NRFC is going great guns. Johnny Andrews has had so many wonderful guests on the show, and the fan club members have been sending in their ballots for the top tunes of the week. "Mr. Juke" has been reporting the top tunes around the country, and the music and records heard on the Friday-night shows are really cool.

Talking about cool doings, the club had some really great guests the last few broadcasts. Outstanding names like Les Paul and Mary Ford, Julie LaRosa and June Valli said hello to the fan club, and also some new stars who are just beginning to make a name for themselves, were invited on the show to give the club members a chance to appreciate their talents. Here's the story on one of the newcomers.

JOHNNY ANDREWS

The NRFC was proud to have as its guest star Epic Records' new "Mr. Excitement," Bob Spencer. Bob's dinking of "Rock And Roll Lullaby" copped the NRFC top honors as the record of the week, and all the fans and disc jockeys are wondering how such an exciting offering could come from such a shy personality as that of Bob Spencer. Bob says, "When I hear that beat I just gotta wall." By the way, "Rock And Roll Lullaby" won out over records by the Four Lads, Guy Mitchell, The

Drifters and Brooks Benton, which is quite an achievement for a newcomer to the recording scene.

As a result of Bob Spencer's Epic recordings and his personal appearance on the NRFC, his fame has rapidly spread. Fan clubs are being set up for him all over the country, and his name is fast becoming one of the top names on today's show biz scene. Bob is rockin' and rollin' his way to stardom, and once he lands, he'll be there for many, many years to come. So you can see that the National Radio Fan Club plays a very important role in developing and starting off young entertainers on the road to success.

The NRFC is gearing itself for a big fall push. As the music world knows, the fall season is the biggest of all, and the record companies and entertainers kind of put their best foot forward and give it all they have. The NRFC is lining up some great surprises for all of you — and, to top it off, some new and exciting stars will be making their appearances on the club. Your best bet is to be by your radio so you won't miss one minute of this exciting show.

Well, that about wraps up the month's activity for the NRFC. Next month some big news about fall activities — so, till then, give a tsien to the NRFC on your favorite NBC station every Friday night. Your local paper tells you the time.

To join the NRFC please fill in the application and send to NRFC, Box 515, (Radio City Station), New York 19 N. Y. If possible enclose a small photo of yourself. Photos will not be returned.

49 SHADES OF GREEN

SID TEPPER ROY C. BENNETT

But she wore forty-nine shades of green,
boy,
Forty-nine shades of green.
The greenest green you've ever seen,
Forty-nine shades of green.

Lulu was queen of the burleycue.
Her window shade dance was great.
One by one she'd pull them up
Till she raised forty-eight.
But she wore

Took her on a date one Saturday night.
We walked by the barber shop.
I knew all the fellas were jealous all
right
When their eyes began to pop.
And they turned

The very first meal that Lulu cooked,
We dined by candlelight.
I knew that I could die for her
And I almost did that night,
'Cause I turned

The day that Lulu married me,
She hung up her shades for good,
And you can see them anytime you're
in our neighborhood.

A SMILE AND A RIBBON

ROBERT WELLS MARK MCINTYRE

A smile is something special,
A ribbon is something rare.
So I'll be special and I'll be rare with
a smile,
And a ribbon in my hair.
To be a girl they notice takes more
than a fancy dress,
So I'll be noticed because I'll dress
with a smile,
And a ribbon in my tresses.
The bigger my toothy grin is
The smaller my troubles grow
The louder I say I'm happy
The more I'll believe it's so.
So I'll have that extra something,
'Cause I know what to wear.
So I'll be special and I'll be rare
I'll be something beyond compare
I'll be noticed because I'll wear a
smile.
And a ribbon in my hair.

FROM A SCHOOL RING TO A WEDDING RING

ARONSON MARTINI

From a school ring to a wedding ring
Is the story of our romance
From those bashful looks over class-
room books
To a stolen kiss whenever we had the
chance.

From a school ring to a wedding ring
Oh, those wonderful youthful times
From a teenage date by the schoolhouse
gate,
To the ringing of the church bell's
chimes.

I remember how we danced at the
Junior Ball
While the band played our favorite
song
Every time we hugged and squeezed
I remember we were teased
By the fellows who were standing
around the hall.

From a school ring to a wedding ring
How those years in-between rushed
through
From a school ring to a wedding ring
To a lifetime of love with you.

A HOUSE WITH LOVE IN IT

SYLVIA DEE SID LIPPMAN

A house with love in it is rich indeed,
Altho there are a thousand things that
house may need.
The carpet may be old, the room so
plain and bare.
And yet, it's beautiful, somehow when
love is living there.
A house with love in it just seems to
bloom
As tho the month of May were filling
ev'ry room!
So, darling, thru the years, with all my
heart,
I'll pray
A house with love in it is where we'll
stay.

THE WEDDING OF THE WINDS

JIMMY CASSIN MACK WOLFSON EDDIE WHITE

When the North wind kisses the South
wind
They caress just the way we used to do
It's so easy to remember when I met
you,
We were sweethearts at the wedding of
the winds.
Ooo hear them calling, oo hear them
cry.
Ooo rain is falling like the tears I
shed
The day you said, "Goodbye!"
North and South wind, East and West
wind
Help to keep our love a glowing ember
Please come back, my darling,
Show them you remember
We were sweethearts at the wedding
of the winds.

JAYE P. MORGAN

She's a gal with heart, with talent and a tremendous voice. Her name? Jaye P. Morgan, of course. Since the days with the Robert Q. Lewis show, Jaye has really soared to the "top" with great leaps and bounds. She's had many hit records, including "Two Lost Souls", in which she dueted with the great Perry Como.

We weren't surprised that with all her ability she was selected to take over the important TV spot vacated by Eddie Fisher for the summer. For moral support and for their great voices, Jaye P. brought along her four brothers — and, just like that, the Morgan family was a click on TV. Incidentally, there were many clicks of TV sets all turning to the Jaye P. Morgan show.

In the year and a half since Jaye P. left Robert Q., things have been happening at a dizzy pace. The adorable blonde Morgan gal has shown that, in addition to singing talent, she has the necessary poise and charm to not only handle but to enhance an entire TV show. Jaye P. did such a bang-up job on subbing for Eddie Fisher that the network has set all the wheels in motion in a mad race to find a slot for her own TV show to commence later this year. Even if they don't manage to find a vacancy, Jaye still won't be a stranger to TV this year. Steve Allen has signed her to a series of guest spots on his popular Sunday-night TV-er.

The lovely Morgan lass is happily married to Mike Baiano. Mike's Dad, Solly Baiano, is casting director for Warner Brothers and was the inter-

mediate who started Jaye P. Morgan skyward. It was at Solly's home that she met "Bullets" Durgom (Jackie Gleason's personal manager). "Bullets", noted for his ability in recognizing talent, was so impressed with Jaye P. that he signed her to a personal management contract. He was responsible for introducing Jaye to Robert Q. Lewis. The Lewis show was good experience for Jaye and started a great personal friendship between the two.

The Morgans have a long history in show business. As far back as she can remember, Jaye was in show business, and toured the country with her family. The act was billed as The Morgan Family and could be found in almost any theater or barn that featured vaudeville. Jaye was introduced to the movies at a tender age. She was five when she appeared in a short for Warner Brothers entitled "Stars Over Broadway."

It wasn't long after she hit New York that Jaye P. was signed to a RCA Victor pact. Neither Jaye nor Victor has ever had cause to regret the contract.

Mary Margaret Morgan is Jaye P.'s real name and, contrary to common belief, she was given the name Jaye P. long before she hit the "big time". When she was in high school, she was elected to the post of treasurer and was called "J. P. Morgan" after the late financial wizzard. Her latest wax, "Just Love Me", should prove a financial success worthy of the great Jaye P. Morgan.

"Who'd believe I was ever embarrassed by Pimples!"

New! Clearasil Medication 'STARVES' PIMPLES

SKIN-COLORED . . . hides pimples while it works.

At last! Science discovers a new-type medication especially for pimples, *that really works*. In skin specialists' tests on 202 patients, 9 out of every 10 cases were *completely cleared up* or definitely improved while using CLEARASIL.

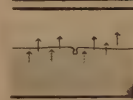

CLEARASIL WORKS FAST TO MAKE PIMPLES DISAPPEAR

1. PENETRATES PIMPLES . . . keratolytic action softens and dissolves affected skin tissue . . . permits medication to penetrate down into any infected area.

2. ISOLATES PIMPLES . . . antiseptic action of this new type medication stops growth of bacteria that can cause and spread pimples.

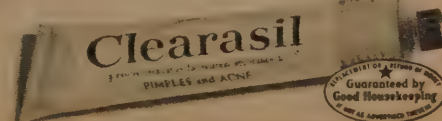

3. 'STARVES' PIMPLES . . . CLEARASIL's famous dry-up action 'starves' pimples because it helps to remove the oils that pimples 'feed' on.

SKIN CREAMS CAN 'FEED' PIMPLES CLEARASIL 'STARVES' THEM

Oil in pores helps pimples grow and thrive. So oily skin creams can actually 'feed' pimples. Only an oil-absorbing medication . . . CLEARASIL, helps dry up this oil, 'starves' pimples.

'FLOATS OUT' BLACKHEADS

CLEARASIL's penetrating medical action softens and loosens blackheads from underneath, so they 'float out' with normal washing. So why suffer the misery of pimples or blackheads! ENGLISH MUFFINS AND IRISH STEW

BOB HILLIARD MOOSE CHASLAP

You'd never think they go together,
But they certainly do,
The combination of English muffins
and Irish stew.

I must admit they're quite they're quite
delicious,

And so easy to chew,
The combination of English muffins
and Irish stew.

I've tried macaroni and Spanish rice.
That's not so very nice
That's not so very nice

I've tried French pancakes with German
sauerkraut.

Now that's one dish I do without.
You'd never think they go together,
But they certainly do.

The combination of English muffins
and Irish stew.

The Mexican army is eating salami and
onions from Peru.

But it can't compare with English
muffins and Irish stew.

The English and the Irish have been
firish now and then.

'Cause the Irish think that they can
knock the stuffin'
Out of any old English muffin.

You'd never think they'd go together,
But they certainly do,
The combination of English muffins
and Irish stew.

I've tried sukiyaki in Labrador,
And I don't want no more, no, I don't
want no more.

I've tried hot tamales with Turkish
shishkabob.

But I prefer corn on the cob.
You'd never think they go together,
But they certainly do.

The combination of English muffins
and Irish stew.

The Mexican navy eats goulash and
peanuts from Sabu.

But it can't compare with English
muffins and Irish stew.

I'M DREAMING OF WEDDING BELLS

CHARLOTTE CHAIT MACK DISCANT

I'm dreaming of wedding bells,
When I hear school bells ring.
For ev'ry time you look at me.

My heart begins to sing.
I'm dreaming of wedding bells,
Like classroom dreamers do.

For yesterday I dated you,
And all at once I knew.

That one day, some day,
Along the campus walk.

I'd hold you and kiss you,
And oh, how we would talk
Of wonderful things like friendship
rings

And orange blossoms soon.

I'm dreaming of wedding bells
To ring for us next June!

AFTER THE LIGHTS GO DOWN LOW

ALAN WHITE . LEROY LOVETT .

After the lights go down low, baby,
you know
There'll be no reason for teasin' me so.
And when the dancin' is thru,
And folks will be few,
I'll be here sittin' with no one but you.
And I'll be needin' you so,
After the lights go down low.
I wanna hold you, squeeze you
As tight as I can,
I'd like to kiss you, please you
And make you understand
And when you thrill me,
You fill me with love so divine,
Together we can have a good time.
After the lights go down low,
Baby, you know,
There'll be no reason for teasing me so.
And we can cuddle up near, without
any fear,
'Cause I've got some sweet talk
That you want to hear.
And I'll be needin' you so,
After the lights go down low.

JUST KISS ME

JESSE STONE

No don't speak, just kiss me
Just kiss me, just kiss me
Please don't move just kiss me
Just kiss me and I'll know

You don't have to tell me
Of your desire
'Cause I'll never hear you
While my heart's on fire!
So don't explain, just kiss me
Just kiss me and I'll know!

To have and to hold you
Is so divine
Love fills me completely
When your lips meet mine!
So don't explain, just kiss me
Just kiss me and I'll know!

GO BUY THE RING

DICK WOLF . TOM KENT

When you walk along,
And the world is a beautiful song!
When you feel like a robin
Feels the first day of Spring,
Your number's up, ho-ho,
So, go buy the ring!
Now you don't knock wood
Just because things are lookin' so good!
Don'tcha know there's a reason
That you feel like a king?
It's love, my friend, ho-ho,
So, go buy the ring!
And, give up all your other sweethearts,
'Cause there's just one
Who's got your complete heart!
Now, you can't resist,
You were hooked from the moment you
kissed!
So relax, don'tcha fight it,
'Cause you can't do a thing!
You're cooked, my friend, ho-ho,
So, go buy the ring!

Who says you can't get into show business?

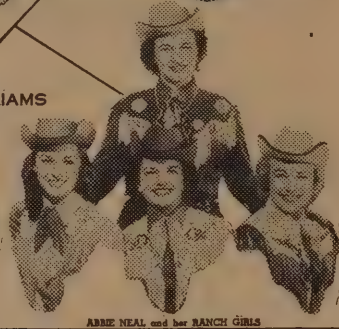

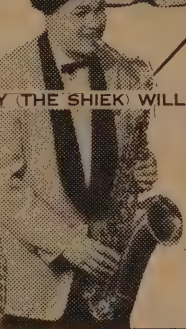

THE BLUE FLAMES DUO

CHEERFUL EARFULS

JOE THOMAS
& THE NITE LIFERS

SKIPPI (THE SHIEK) WILLIAMS

ABBIE NEAL and her RANCH GIRLS

McConkey Artists

WHO SAYS "YOU CAN'T GET INTO SHOW BUSINESS"? "It's just not so," says Lloyd La Brie, head of the New York office of McConkey Artists, the biggest booking agents for small, musical and "novelty" units in the world. "We have been plagued by this misconception about show business for a long time. The truth of the matter is — we have more work for groups of from two to five, male or female, who can sing and play instruments than we have the artists to fill the jobs. We are constantly on the lookout for new groups and we are more than willing to help new talent develop a real, commercial act."

In short, if any of the readers of HIT PARADER magazine feel that they are part of a group that have the potential to become professionals, they can contact Lloyd La Brie at McConkey Artists, 1780 Broadway, in New York City or Dick Shelton, president of McConkey at the Congress Hotel, in Chicago.

Among the acts who started their show business careers being booked by the McConkey Artists are Johnny Ray (at that time his piano playing was more important than his singing), the Four Freshmen and The Crew Cuts.

"Let's make one thing clear," adds Dick Shelton, president of the firm, "we are not going to give anyone lessons. We are looking for people who really want to make a career in show business and who feel that they have talent. If this description fits you — contact us at either our New York or our Chicago office. You can come in and be auditioned or we may even send a representative to see you in action."

"If you are ready to go out immediately, you can start working within a week. If you need only minor changes, we will work with you until your group is ready."

With four offices in the United States one in New York, Chicago, Hollywood and Kansas City, Missouri, and branches of the agency in Alaska and South America, McConkey has been facing a steadily rising talent shortage for years. Fewer and fewer new groups have come into the business while the demand for small, musical units has increased constantly.

A group that has the ability can get to see the United States and Canada and even be paid to visit a good part of the world if they join a U.S.O. tour. Currently, western units, rock and roll groups, individuals who can play organ or piano and sing, good comedy, instrumental and vocal quintets, quartets and trios are most in demand. Again, unlike the popular conception, these people work steadily throughout the year. McConkey collects a standard booking agency commission there are no fees.

"Youth, new ideas and enthusiasm can be as important as experience," states La Brie, "which is the reason we are making this offer to the readers of HIT PARADER. We can't speak for the other branches of the industry, but if you are part of a musical unit you feel is good enough to be professional, "We have the work available if you have the ability!"

IN THE MIDDLE OF THE HOUSE

BOB HILLIARD

The railroad comes through the middle of the house

The railroad comes through the middle of the house

The trains all come through the middle of the house

Since the company bought the land. They let us live in the front of the house

They let us live in the back But there ain't no livin' in the middle of the house

'Cause that's the railroad track. When a bill collector comes to the house

He knocks and bangs on the door So we sit him right down in the middle of the house

And he never comes back no more. No! he never comes back no more.

The railroad comes through the middle of the house

The railroad comes through the middle of the house

It comes and goes through the middle of the house

And the trains are all on time. Here comes the five-o-nine.

Singin' this song in the middle of the house.

The railroad comes through the middle of the house

In and out of the middle of the house Right smack dab through the middle of the house

Where the parlor used to be. There's a great big door in the front of the house

There's a little old door in the back But we can't have doors in the middle of the house

'Cause that's the railroad track. A relative came to visit the house

He liked to scream and fuss So we sat him right down in the middle of the house

And he never more bothered us. No! he never more bothered us.

The railroad comes through the middle of the house

The railroad comes through the middle of the house

It comes and goes through the middle of the house

Since the company bought the land.

ST. THERESE OF THE ROSES

RENUS HARRIS ARTHUR STRAUSS

St. Therese of the roses,
I will come to you each night.
Near the altar in the chapel,
I will pray by candle light.
St. Therese of the roses,
Won't you kindly hear my prayer?
Give your blessings to my sweetheart,
And the love that we both share.
Won't you guide us, and protect us,
Through the years that lie ahead?
Won't you fill our hearts with sunshine,
On the day that we are wed?
You're the little flower of heaven,
Guiding all who come to you.
St. Therese of the roses
I know you'll make my prayer come true.

MY HEART SAYS "THANKS" TO YOU

LESTER JUDSON

You've given me a love beyond compare
And when I call, I know that you'll be there,
For all the joy and happiness we share,
My heart says "thanks" to you.
That lucky day you walked in to my dreams,
The easy way you fit into my schemes,
To make my life a fairy tale that gleams,
My heart says "thanks" to you.
The tingle of your touch,
Your eyes that say so much,
The smile you smile for me,
My heart begins to race each time that we embrace,
You're ev'rything to me.
I was alone, afraid to fall in love,
You came along and shared the secret of
The joy of living, loving being loved,
My heart says "thanks" to you.

DARLA MY DARLING

JORDAN McDERMOTT

The stars will always shine,
The moon will cast its glow,
And Darla my darling,
I love you so.
The rain will always fall,
When the clouds are so gray,
And Darla my darling,
Are you going my way?
The stars will always shine,
The moon will cast a glow,
Oo yes Darla darling,
I'll always love you so.
I love and need you,
I'll never let you go.
The stars will always shine,
The moon will cast a glow,
Oh the wind will always blow,
On a cold December day,
And Darla my darling,
Are you going my way?

ONE KISS LED TO ANOTHER

JERRY LEIBER MIKE STOLLER

My girl friend was a-baby sittin' down
My girl friend was a baby sittin' down
the street

And so I bought some soda pop and sandwich meat

She laid it on the table and I took a seat

But I never got the chance to drink or eat!

'Cause one kiss led to another
And another and another
One kiss led to another
And another and another!

The lights were low when she turned on the radio

I could hear the music playing soft and low

I said we'd better dance before I flip my lid!

We both got up to dance but we never did!

I tho't the night was young until I saw the clock

The clock was striking midnight, it was quite a shock

I started for the door but she grabbed my sleeve

She put her arms around me, man, I couldn't leave!

THE TEST OF TIME

JAMES VAN HEUSEN

Tonight I know the kiss we share
Is sweet beyond compare,

But will it stand the test of time?

The lovely glow that's in your eyes,

The music in your sighs,

Oh, will they stand the test of time?

Time changes mountains, time changes rivers,

Time changes winter to spring.

Time changes ev'rything they say.

But if the thrill we feel tonight

Is really, really right,

You'll never take your hand from mine,

And our love will stand the test of time.

DON'T GET CAUGHT

(Short On Love)

HONI COLES

Rock it, sock it, but don't ever hock it,

Don't, don't, don't, don't,

Don't get caught short on love!

Take it, make it, but don't ever break it,

Don't, don't, don't, don't,

Don't get caught short on love!

You can go without money, go without bread,

Go without a place to lay your head.

Go without sugar, go without wine,

But if you go without love,

You'll go out of your mind.

Choose it, use it, but don't ever lose it

Don't, don't, don't, don't,

Don't get caught short on love!

You won't pick cotton no more!

Why don't you go away (I don't want you)

Stay away (I don't need you)

Keep away (go away!)

In other words: "get lost!"

Keep your cotton pickin' paddies offa my heart

Or you won't pick cotton no more

You started the fire but I got burned

Now baby's out of bounds as far as you're concerned.

Keep your cotton pickin' paddies offa my heart

Or I'll get my forty-four

If you dare to come around me with that lovers bit

There's a-gonna be a accident and you'll be it

Keep your cotton pickin' paddies offa my heart

Or you won't pick cotton no more

I'm tired of all your fancy talk

So pack your hat and baggage, mister, take a walk.

Keep your cotton pickin' paddies offa my heart

'Cause the padlock's on my door

Better stay away from me with all your cheatin' lies

'Cause I know where there's a river and it's just your size

A PERFECT LOVE

SAMMY CAHN NICHOLAS BRODSZKY

When you find a perfect love,

No other kiss but his can touch your heart,

All at once your dreams are silver lined,

Two hearts as one combined

Can find a world apart.

And then you know the perfect thrill

That all the wise men still

Can't know the meaning of

Yours the warmth, and yours the glow,

When, at last, you come to know

The wonder of a perfect love.

JUST LOVE ME

BOB DAVIE MARVIN MOORE

You don't have to be a king on a throne,
What's the difference what you are,
What you own, you are all I ever hoped you'd be
Just love me, just love me.
You don't have to lay the world at my feet
You don't have to make my future complete
My heart doesn't need a guarantee
Just love me, just love me.
You don't have to prove a thing to me
Now, I know that your heart is true,
Just hold me tonight with all of your might
Love me the way that I love you.
You don't have to be the man of the hour
You don't have to hold the world in your pow'r
Please don't bother changing history,
Just love me, just love me.

WHERE IN THE WORLD

BETTY ABBOTT HAL HACKADY LAURIE BREWIS

Where in the world is my lover?
Who in the world can he be?
When will I ever discover
The one in the world for me?
How in the world will I know him?
What in the world will I say?
How can I possibly show him
That he had to happen my way?
How many miles must I wander?
How many oceans explore?
Is he about in this world,
Or is he out of this world?
Or is he living right next door?
So, in a world full of places,
Someday I'll look up and see
The one in a whole world of faces
The miracle that had to be
The one in all the world for me.

GOLDEN ROSES AND SILVER BELLS

BOB HILLIARD DAVE MANN

There are golden roses and silver bells
In the happy house where my true love dwells

No welcome mat on the cold stone floor
But it's there in her smile
When she opens the door.

Golden roses (golden roses)
Silver bells (silver bells)
In the happy house where my true love dwells.

I'm in love I'm in love
I'm in love I'm in love
I'm in love I'm in love
I'm in love.

A sad blue Monday's a gay holiday
'Cause a part of my heart
Just gets carried away.
It's not some doo-dad that hangs on the wall

Ah! but love puts them there
From the moment you fall.

THANK YOU, LORD
MACK WOLFSON EDWARD R. WHITE JIMMY CASSIN

When I climb up the starway to Heaven
And walk down a road paved in gold,
Then I'll kneel at the throne of my Maker
While the story of my life is told.

Thank you, Lord (thank you, Lord)
Thank you, Lord (thank you, Lord)
For Your love from above is so true.
Thank you, Lord (thank you, Lord)
Thank you, Lord (thank you, Lord)
For the blessed happiness I found with You.

Yes, I'll kneel at the throne of my Maker
As I know we will all do some day,
And I'll tell him, "dear Lord, I am grateful,"
As I worship Him I'll proudly say.

I'm so happy You're always beside me
In the darkness You guide me along,
I will always obey Your Commandments
'Cause You taught me the right from the wrong

Oh, Your love is a wonderful treasure
There is no way to measure its worth,
Yes, Your love is a wonderful treasure
It's a Heaven for me here on earth.

TWO INNOCENT HEARTS
DORIAN BURTON LEE PINCUS

We met at a high school party,
Was a party just for teens,
As I gazed into a corner,
There were two eyes set on me.
So he asked me for a dance
And as we danced across the floor,
I knew then that I loved him
And would never let him go.

We were two innocent hearts,
We were two innocent hearts,
Never in love before.

He was smiling, oh, so gaily,
With a smile that promised more,
And I knew that I had never, ever
Felt that way before.
Then he told me that he loved me
And I knew right then and there,
That this was the beginning
Of a teenage love affair.

YOU'RE SO FAR ABOVE ME
CARROLL COATES

You're so far above me,
Too far for me to fly.
I'm so far below you,
Just an ordinary guy.
I lifted up my eyes and there I saw
An angel I'm not worthy to adore
You're so far above me,
It's hopeless, heaven knows,
If I stood on tiptoe,
Couldn't even touch your toes.
I might as well try reaching for a star
It's just as foolish of me to think
You'd stoop to love me,
When there you are above me, so far.

LOVE SWEET LOVE
LARRY HARRISON GREGORY CARROLL

Doodeley, doodeley, doodeley,
Doodeley, doodeley, doodeley
I don't need no diamond ring,
If you want my heart to sing,
All you need to do is bring,
Love, sweet love.
I don't need no silly notes,
Paper is for billy goats,
Tore up ev'ry one you wrote,
Love, sweet love.
I need you darling,
More than you know,
If you really love me,
Eh, come and tell me so.
I don't need the sun to shine,
Just want you to say you're mine,
And be with me all the time,
Love, sweet love.

BE MY GUEST
WILSON STONE AD EDWARDS

If you're lonely tonight,
For the lights that are bright, be my guest.
If you're feelin' a yen,
To get together again be my guest.
I knew the day we parted.
I was broken hearted.
Why did we break that spell?
I'll be the first to give in.
So let's start livin', livin' with a capitol "I."

If you're makin' amends.
'Cause you'd like to be friends, be my guest.
If you're missin' the charms.
That you found in my arms, be my guest.
You know I'm still your lovin' mama.
And mama knows best.
You need love and I need love.
So, baby, be my guest.

BE LOVEY DOVEY
LARRY HARRISON GREGORY CARROLL

Well oh, well oh, well oh,
Don't tease baby,
Be lovey dovey.
Please me baby,
Be lovey dovey.
Makes me happy night and day,
Night and day,
Well oh, well oh, well oh,
Don't say maybe,
Be lovey dovey
Won't take maybe,
Be lovey dovey
Your lovey dovey,
Drives my loneliness away, way — ay;
You used to be,
So sweet to me,
But now I see,
You're not like you used to be.
Well, oh well, oh well,
Oh run here to me,
Be lovey dovey if you love me,
Be lovey dovey
Your lovey dovey,
Turns my darkest night to day
Da — aa — aa — ay.

On the Upbeat

GEORGE WALLINGTON

It isn't very often that a great jazz pianist finds himself on the way to becoming a top pop song writer. But that's exactly the happy spot that George Wallington is in now.

George is a genuine "boy wonder," grown up . . . and growing all the time. At 15 he became interested in jazz and began composing. By the time he was 17, he was pianist in Dizzy Gillespie's first and famed modern jazz group. Ever since then, George has been developing as both a musician and a composer.

Over 75 George Wallington compositions have been published to date. Two of them — "Lemon Drop" and "Godchild" — have become jazz classics, the former (via Woody Herman and Gene Krupa recordings) being one of the few modern jazz instrumentals to reach the "hit" category.

More and more is the Wallington touch being felt on Tin Pan Alley. "My April Heart," written with lyricist Bud Goodman, has been recorded by Chris Connor in her new Atlantic album, as was their bouncy salute to outer space, "Way Out There." So confident are his publishers (Mills Music) in George's ability that they commissioned Mitchell ("Stardust") Parish and Mack ("My Destiny") David to set words to some of his fine works.

George Wallington, who was christened Giacinto Figlia, was born in Palermo, Italy. He received a strict classical musical training from his father, an opera singer. When George was just a child, his family moved to New York, but his music lessons continued. Suddenly he was 15, jazz came into life and a whole new career was launched.

ROGER COLEMAN

In every generation, from among the thousands of young singers a few outstanding personalities reach the show business horizon and rise to fame. Roger Coleman is one of these talented few.

The uniqueness of the Colman rise is the simplicity with which it has come. No unusual gimmicks, no special "breaks". Really a simple story of a fine singer being recognized as a great talent wherever he went, since first getting into the business.

Roger Coleman started his singing studies at the Juilliard School of Music, when he was 16 years old. His introduction to singing came in the operatic and classical field. With this extensive and vocally sound core of understanding of music, Roger comes forth on popular numbers where a different style is needed. He found his by relaxing and being himself.

Born and raised in Scranton, Pennsylvania, Roger attended Keystone Academy in Factoryville. After graduation, he took a job with a steamship company, singing his way to the Caribbean.

Roger got his break with Decca Records due to his excellent work on the West Coast, where he was vocalist on the ABC Network show, "Play It Again," for a full six months. After this he appeared on the Don Lee TV show, "Scene Shifters," and was held over for eight weeks at the Biltmore Hotel in Los Angeles. It was at this time he returned to New York for TV spots and became Frankie Carle's featured vocalist for a year. Then he waxed "Everything I Have Is Yours" and "Give Me The Right" for Decca, which became an immediate hit!

I KEEP A LITTLE LIST

NORMAN GIMBEL BILL SAWENS

I've got a hand me down secret
Of how mother got her man
If this can't do it, girls, nothing can!

I keep a little list
Of things I'm gonna do
When he walks in the room
And we're alone, we two
I keep a little list
Of things I'm gonna say
When ma and pa are gone
And we can spend the day
Let him look but don't let him touch
Give in a little, not too much
Be alluring, sweet as a child
Be assuring it'll drive him wild!
I keep a little list
Of just how I'll behave
And step by step I'll make the guy my
slave
But oops! here's a thought that comes
to mind.

As I think it through
What am I gonna do
If he keeps a little list too?

AT LAST MY BABY'S COMIN'
HOME

CLYDE OTIS OLLIE JONES

At last I'm gonna be happy
At last I'm gonna be free
My mind's at ease
You know I'm pleased
'Cause my baby's comin' home to me
At last I'm gonna be home folks
I'll shout from the highest tree
I'll walk the floor and watch the door
'Cause my baby's comin' home to me
And I'm telling ev'rybody
Ev'rybody I see
I don't want nobody tryna steal her from
me

At last I'm feelin' like springtime
My heart's jumpin' happily
Come sleet, come rain, I'll meet the
train

'Cause my baby's comin' home to me.

COLORADO MOON

ANNE T. WHITE

Colorado moon, don't let me down,
Float thru the sky in your evening
gown,
Oh, twinkling stars, up in the sky,
Help light the way, guide my loved
one right.

For in our hearts we know quite well
We love only each other,
Someday soon, then she'll return to me,
Without another, so, colorado moon,
Now don't you see, show her the way,
Back home to me.

THE TIES THAT BIND

RAY STANLEY

A kiss to start the day off brighter,
A sunny smile that's warm and kind,
A word to make your heart feel lighter,
These are the ties that bind.
A hand to hold in joy and sorrow,
A faith to bring you peace of mind,
A vow to keep beyond tomorrow,
These are the ties that bind.
Sharing ev'rything you do,
Learning to forgive,
Seeing all your dreams come true,
Loving as you live.
For love is more than tears and laughter,
A greater world is there to find,
A world to last forever after,
These are the ties that bind.

STOP ME
(If You've Heard This One
Before)

DAVE COLEMAN

Stop me if you've heard this one before,
It seems that a gal fell head over heels
for you.

Her heart went on believing,
While you went on deceiving,
And believe it or not,
She doesn't know what to do!
Stop me if you've heard this one before.
It isn't a funny story, I'll agree.
Your love was just pretended, that's all,
My story's ended,
And it sort-a looks like the joke's on
me!

HEARTACHES

JOHN KLENNER AL HOFFMAN
Heartaches, heartaches,
My loving you meant only heartaches,
Your kiss was such a sacred thing to me,
I can't believe it's just a burning
memory

Heartaches, heartaches,
What does it matter how my heart
breaks?

I should be happy with someone new,
But my heart aches for you.

Samantha, you're all I'll ever adore
So forgive me, do, if I say to you
What I've said so often before.

And my love will never die,

"Get along, go away, good bye!"
Remember, Samantha, I'm a one gal

MY BOY ELVIS

VIRGINIA FITTING DOC ROCKINGHAM
Hey, ev'rybody, come on down,
The man with the gittar just hit town.
Takes off like a rocket,
There he goes,
Rockin' from his head down to his toes.
My boy Elvis, real rock,
My boy Elvis, real rock.
Whiz bam a-ling oo!
Elvis, sing for me.
Heartbreak Hotel, Blue Suede Shoes,
He walks away with all my blues.
Take my troubles,
Take my pain,
Load 'em on that Myst'ry Train.
Can't wait for Freddy, or for Joe,
Got my blue jeans on and away I go.
Feel like the queen of ev'rything,
Tonight I'll be close to my juke box
king.

All the teenagers stomp and shout,
When they open the curtain and he
walks out.

DISC JOCKEY

PROGRAMMING

Bud Brees is one of WPEN's outstanding disc jockeys who has 3 great shows. Station WPEN is proud of Bud — as well they should be. The following is a bit by Bud on the brand of music and the ideas he uses to keep his many fans happy.

"On the 3 Bud Brees daily shows, I have been trying to feature what I think is the better popular music, and audience reaction and pulse ratings of late seem to bear out my feelings that more people than ever — including a good percentage of teenagers — enjoy hearing more of the good music. I definitely feel that Rock 'N' Roll is fading, one very important reason being that parent and church groups have been up-arms over the numerous riots and acts of rowdiness at many Rock 'N' Roll shows.

BUD BREES

WPEN — Philadelphia, Pa.

"However, Rhythm and Blues should and probably will remain popular, but it will eventually go back where it started. In evidence of this, most major companies today are recording less and less of R&R and R&B records and leaving this up to the independents who make their livelihood from it.

"The successes on records of Sinatra, Como, Damone and the wonderful package goods that have recently been released are doing much to improve the popular record business. Package goods makes up a large part of my daily programming. This should encourage singers, groups, bands and songwriters who have 'kept the faith' to once again produce worthwhile material in greater numbers. I feel sure that hundreds of deejays like myself will give proper exposure to the good 'stuff'."

ABOUT THE DISC JOCKEY

Ross Miller of WTIC, in Hartford, Connecticut, is a native of Boston, Massachusetts, a graduate of the Leland Powers School of The Theater and a veteran of thirteen years in radio. He has enjoyed a huge following for the entire thirteen years.

Ross came to WTIC in 1945 from Radio Station WHAI, which is located in Greenfield, Massachusetts. There he held down the important position of Chief Announcer and Program Manager. He's an exceptionally popular guy.

The versatile Ross Miller is also known as "Ross, The Musical Miller" and has been associated with several well-known WTIC disc jockey programs. In addition to being WTIC's regular 1:00p.m. and 4:15 to 6:00 p.m. he has been affiliated with the "Radio Bazaar", disc jockey heard daily from 12:30 to

ROSS MILLER

WTIC — Hartford, Connecticut

"The Miller's Partyline", NBC's "News Of The World" and "Monitor". Ross' show is very different and unique in that most of it is done entirely in rhyme. This young man is one of the top disc jockeys in the East and boasts a host of loyal listeners.

On Saturday Ross has a very popular teen-age show from 1:15 to 3:00 p.m. The music is strictly geared for the kids, and they love it. The many letters they send in proves this point. Ross Miller has a rare gift — he's not "typed". He spins music for the older folks, and they love it. His following among the younger set is tremendous. The Miller lad has found the secret of making all his listeners happy; if not on one of his shows than another. Just ask the people in the Hartford area who's the biggest D.J. around, and we're sure the answer will be, "Why, Ross Miller, of course — WTIC's very own."

PLATTER PATTERN

PROGRAMMING A D. J. SHOW

The only way to find popular music on a channel selector in Rockford, Illinois, is to view the "Jack Wilson Show" daily, Monday through Friday, on WTVO-Channel 39 at 5:30 p.m. Presided over by personable Jack Wilson. The show is famous in Northern Illinois as the only place on television where all types of music are played. Wilson, who previously acted as a popular radio d.j., is well equipped for this television chore with a knowledge of music and a liking for people.

Two recent music beats have been charged up to Wilson. It was largely due to his efforts that "All Night Long", by Rusty Bryant, became an overnight Rockford hit. Wilson spun the disc one evening in June on his program. Before his large, very large audience, he bemoaned the fact that

JACK WILSON

WTVO — Rockford, Ill.

this disc, which was released in advance of the current hot Rock 'n' Roll trend had not become a hit. The next morning Rockford record stores were calling Dot Records in Chicago for a new shipment. Since then the Rockford stores have sold out on "All Night Long" on three separate occasions. Wilson's score preceded the recent reissue of the platter by Dot. In addition, Wilson is the first radio or TV personality in Rockford to have a fan club all his own started by his viewers. This occurred when a group of viewers in one section of the city organized the Jack Wilson Fan Club. Before long, people from all over Rockford were joining.

In addition to his music chores, Wilson is also one of Rockford's most popular commercial announcers on television. As a hobby, he collects records. What else?

Art Lane's first association with radio was in a sports vein when he used to practice play-by-play announcing while watching TV games. But when he entered the radio-TV course at Temple University, he began to branch out into other fields like straight announcing and disc jockeying. It was then that he saw it was easier to become one of the latter than to only be a play-by-play man.

The first positions Art had were part-timers with WNAR, Norristown, Pa., and WHAT, Philadelphia, Pa., where he not only did staff announcing and disc jockey work, but ran his own turntables and control board.

His own particular favorites in music are any good danceable ballad and most modern jazz. He does not especially care

ART LANE

WLBR — Lebanon, Pa.

for "Rock And Roll" but he does find his feet unconsciously tapping to the beat it provides and he certainly taps his feet a lot every night, because "Rock And Roll" is certainly a big favorite with his listeners

As for personalities, Art could listen all night long to Ella Fitzgerald, Nat Cole, Stan Kenton, Les Brown, George Shearing, Teddi King, Lena Horne — and so many others he could fill up this paper with those who belong to the more "qualitative" school of music.

Concerning the future, Art hopes it holds some sort of executive position in radio or TV for him. And he hopes to find you among his audience soon.

Art loves the record business and it shows in his work. If it's up to the fans he'll get his executive position.

HALFWAY TO HEAVEN

RAMON GETZOV IRWIN SCHUSTER

I'm halfway to heaven,
And lost in the stars.
Lost and bewildered,
By this romance of ours.

I'm halfway to heaven,
Which way do I go?
Are you the angel
That I have wanted so?

You say you long for my arms,
And need a love that's kind.
But then when you're in my arms,
You seem to change your mind.

Will I be in heaven?
Or is it to be,
Halfway to heaven
And no further for me?

LOVE IS A GREAT BIG NOTHIN' (When You've Got Nothin' To Love)

DOLORES VICKI SILVERS

Love is a great big nothin'
Blown up big as the moon,
Yes, love isn't love,
It's somethin' like a song,
Or Spring, or any old thing,
That makes you mad as a loon.

Love is only a mood and easy to capture,
A temporary mood, temporary rapture.
Love isn't love it's somethin' that fools
put on like a glove,
For love is a great big nothin',
When you got nothin' to love.

Love is a great big nothin'
An over rated affair,
Yes, love isn't love,
It's somethin' like you're drunk on wine
Or any old kind of magic in the air.

FIND SOMEONE NEW

ANNIE T. WHITE

I cannot go on, taking his place,
You called me by his name
You say I have his face,
Find someone new.
Your love will never be true,
While I'm rememb'ring him to you.
Smiles are much alike, I have his eyes,
You kiss my lips and then,
You tell the same old lies,
Find someone new,
Your love will never be true,
While I'm rememb'ring him to you.
Even while we're dancing, you think
that I'm him,
We look alike it's true,
The only thing that's different that I
can see,
Is he didn't love you and I do.
So, darling if you love me
Drop him from your mind,
Don't say we look alike,
Or you will have to find someone new,
Your love will never be true,
While I'm rememb'ring him to you.

WITHOUT LOVE

B. G. DE SYLVA LEW BROWN RAY HENDERSON

I was so happy with the way
The world was treating me
Couldn't explain.
I thought my song of love
Had turned into a rhapsody
Beautiful strain,
But love has gone
And now it's turned into the bluest
blues,

Honest and true!
I've lost the only thing
That ev'rybody hates to lose.
What'll I do
Without love?
Life is milk without cream,
And gone is ev'rything you're dreaming
of,

Without love!
Without love!
Life's a match that doesn't strike,
And blues begin to fit you like a glove,
Without love, without love
There's something missing,
Ask our friend the dove,
Without love.

Life's a song without the tune
And who would care about the moon
above.

Without love?

HAUNTED GUITAR

LEE WILSON GUY WOOD

Haunted guitar, tonight I hear your
melody;
While the rest of the world is sleeping,
I hear you weeping,
Haunted guitar.
Like in a dream, your tender theme
plays on and on;
It's a song no one else remembers,
Why stir the embers, haunted guitar?
I know how you miss the fingers,
That caressed those dusty strings,
Forget the touch of her fingers,
And a million other things.
Just as each rose blooms once,
Then fades and dies away,
With the dawn let your song start
fading,

Stop serenading, haunted guitar!

LITTLE MAN IN CHINATOWN

BOB DAVIE

There once was a little man in
Chinatown,
He was a little man indeed.
And this little man in Chinatown
He was a little man indeed.
And then one day this little man in
Chinatown
He was a little man indeed.
Well then this little man in Chinatown
He was a little man indeed.
Now in case you wonder what this
story is

Here it is, here it is, here it is,
One afternoon this little man in
Chinatown

He was a little man indeed.
And so this little man in Chinatown

ANY INSTRUMENT

EVEN IF YOU DON'T KNOW A SINGLE NOTE OF MUSIC NOW!

Yes, it's TRUE! In just a few weeks, you can be playing REAL MUSIC on *your* favorite instrument. Not by just a "trick" method that merely *seems* to teach you music, But really *reading* and *playing* actual sheet music—so easily and confidently that your friends will suspect that you've actually "known how" for years!

THOUSANDS NOW PLAY Who Never Thought They Could!

Mother Fulfills Desire

"After I had been married 13 years I saw my chance to fulfill my desire to play piano. In a few weeks I could play pieces a friend couldn't who took lessons for 3 years from a teacher." — Mrs. J. L. Newton, Louisville, Ky.

**How Famous
Orchestra Leader
Got His Start**
"I got my start in music with your Course. How easy it is to learn to read notes and play this 'teach-yourself' way! You did so much for me, I've enrolled my two daughters." — Lawrence Welk.

Amazes Friends

"In a few weeks I could play several pieces. Everyone was amazed, also friends who had had lessons for years and whom it took 6 months to a year to play simple pieces." — Mrs. J. P. Perry, Princeton, W. Va.

NO TEDIOUS PRACTICING OF BORING SCALES AND EXERCISES REQUIRED.

Even if you don't know a single note now, you'll "start right in on pieces." This builds up your skill and confidence so rapidly that soon you'll be able to play ALL your favorite songs and compositions *by note*. It's all so clearly explained—so EASY to understand—that even children "catch on" at once.
